Mission Service Disciple's Stories

Self Esteem & Dignity Delivered

NHELIC aided in the delivery of over \$750,000 of Hygiene and household goods during the past three months. What started as a \$250.00 Thrivent Action Team to deliver personal hygiene products to Veterans in need, manifested in the pickup and delivery of tons of personal hygiene, paper household goods and pull ups for all ages.

Together with the Veterans Coalition of PA (VCOP), NHELIC team members distributed the much-needed products that bring dignity, self-esteem most important, SMILES to many souls. The program reaches area schools, churches, homeless tent cities and family shelters.

In addition, over ten area shelters and pantries received everything from deodorant, pull ups, wipes, paper towels, and hygiene products. It didn't take much, the spark started with a Thrivent Action Team and a few conversations. Together with a major manufacturer, Chosen 300, Opportunity House, Keystone Military Families, VALOR, OLIVET (Girls & Boys Club), and our fabulous giving NHELIC volunteers.

Sometimes it all starts with a simple act of generosity or conversation. I was told once, Discipleship is like one beggar telling another beggar where to get a loaf of bread. Martin Luther's last words spoken says it all, "We are all beggars, this is true." We are all beggars helping and loving our neighbors. If you would like to know more about Mission Service projects, contact the Pastor.

New Hanover Family Learning Center Update

As we continue to look toward NHELIC's future, the Council and Learning Center team realize that the learning center will eventually provide additional income to support more of our ministries and the upkeep of our facility. Our planned goal to open this coming fall has changed and we are now hoping to open by Fall of 2025. As we continue to plan for this new ministry despite the challenges and delays, we are providing the following information to help you understand the scope of our progress as we work toward final congregational approval.

- Progress is being made with New Hanover Township. We have come to an agreement for their sewer requests. We still need to complete a traffic study.
- It has been almost 25 years since the education wing was built, so we are working on plans to update and renovate this section of the building to make it more functional and meet building requirements. This will include adding restrooms that are ADA compliant (Americans with Disabilities Act Standards). After drawings are created, quotes for the project will be acquired.
- We have put together financial reports based on estimated costs. We are also looking at income sources including grants, loans, gifts, etc. for startup costs. The financial reports will be updated as we gain additional information.
- A group of volunteers, council members, and staff have begun working meetings every two weeks to keep this project moving forward, to resolve issues and concerns, and to provide additional updates to the congregation.

Please keep this project and the leaders in your prayers. If you have any questions or would like to get involved with planning, please reach out to Donna Kehs, Todd Rothermel, or Pastor Scott.
