Dear Supporters,

We are thrilled to share the news we've all been waiting for- Pottstown Beacon of Hope can now start the building process for our 24-7 shelter! After two years of persistence and working through title issues on the 601/619 West High Street property, we officially took ownership of the property this week.

Your support over the past two years has been invaluable. During the prolonged title situation, our volunteers and donors gave us the energy and determination to keep pushing forward.

The 24-7 shelter will allow us to provide an environment of hope, love, and grace around the clock. We'll build trusting relationships with our guests and coordinate the necessary resources to help them achieve personal growth, independent living, and permanent housing. Our goal is to open the 24-7 shelter in the fall of 2025. In the meantime, PBOH will continue to operate the Winter Warming Center, offering a warm, safe place to sleep in an atmosphere of hope, love, and grace for Pottstown residents experiencing homelessness.

Thank you again for your unwavering support. We ask for your continued prayers and support as we move toward making the PBOGH 24-7 shelter a reality.

Get involved and stay updated by following us on our social media pages for the latest news and events!
