Planting the Seed of Hope in a Pandemic

“Who will separate us from the love of Christ? Will hardship, or distress, or persecution, or famine, or nakedness, or peril, or sword? No, in all these things we are more than conquerors through him who loved us. For I am convinced that neither death, nor life, nor angels, nor rulers, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.”

(Romans 8)

While other worship communities are idle, we are planting new seeds for Hope. Some may view the ministry initiatives and plans that are under way at NHELCL futile in a pandemic. We do not, and have seen and witnessed growth in Hope.

Our Garden of Hope has provided two harvests that supplement our Loaves & Fishes ministry meals. Once barren ground in March, has now become a flourishing 3,000 square foot Garden of Hope. Many volunteers of all ages have helped move soil, plant seeds and harvested crops.

Those crops of Hope are needed in our Loaves and Fishes food ministry. We have witnessed a growth to almost 140 per day that we are feeding to change and improve people's lives. Chef Chris and the volunteer team have kept up with the demand and have celebrated over 40,000 meals delivered by our volunteers to the homes of those who so desperately need them.

Desperate may be a key phrase when you speak of those needing support. No greater support has been given to those in recovery than our very own Peer Support Ministry. The number of people served during this pandemic have been incredible.

Incredible is what I think of when I look back to last year and realize none of the three ministries above were in operation before the pandemic! The scale of the love we together have shown our neighbors cannot be measured. And its not over.

New Ministry initiatives are underway. Deacon Carol is leading a new venture for Senior (60+) Ministry. Intentionally providing Faith Formation, activities and events for those who are wanting ministry designed for them. An exciting new adventure indeed.

Teams are planning how we adjust to the pandemic and the ensuing new culture of worship, learning and events. We have improved our streaming and video capability while reducing our monthly costs. We have experienced over a 50% growth in the viewership of our worships via in-person, live streaming and virtual recording.

We are looking at ways to continue providing meaningful worship in all of the three communication settings. Our music and praise have become blended and we are looking at ways to safely introduce our choirs of all ages back into worship. Seeds of Hope are being planted in many areas.

We have proven we can thrive and grow in loving our neighbors in a pandemic. I pray you too share this hope. Change happens sometimes rather quickly and powerfully. I remain confident, after witnessing this past year, that nothing can separate us from the love of God, and we will continue to love and sow Seeds of Hope in this community.

Peace, Pastor Scott

FAITH FORMATION MINISTRY

Vacation Bible School

**Beginning June 21st
for five weeks**

“**GOD’S GOOD CREATION**” is this year’s theme. Members of neighboring Lutheran churches will join NHELCL to celebrate the gifts of God’s creation.

Each Monday, June 21st, 28th, July 5th, 12th, 19th
An online “welcoming video” will be posted sharing the theme for the week.

Each Wednesday evening, 6:30-8 PM
June 23rd, 30th, July 7th, 14th, 21st

Children and parents are invited to gather in-person, outdoors at NHELCL to further explore the week’s theme through a story time, a yoga/ mindfulness segment, a mission-oriented project and of course a snack! Also, part of these gatherings will be available online so children who still are unable to meet in person can take part.

New this year - a VBS for adults!

Wednesday mornings, 10 - 11:30 AM
June 23rd, 30th, July 7th, 14th, 21st

Adults will gather outdoors at NHELCL to celebrate God’s creation through informal discussion and sharing. Participants are invited to bring a comfortable chair so they can sit and relax!

CDC recommendations for in-person gatherings will be followed. Bathrooms will be accessible.

Registration forms are available online on the Faith Formation page on the church website at newhanoverlutheran.org for both children and adults. Register sooner than later is encouraged so we can plan accordingly. Also, the adult registration form is available in this newsletter and in the wooden pick-up box outside the Sunday school portico door. Or, interested adults can contact Deacon Carol. You can email Carol at caroldetweiler@comcast.net or leave a voice message for her on the church phone at 610-326-1335.

Help is needed! A volunteer is needed to help coordinate the first session on Wednesday evening, June 23rd. Each sponsoring church is in charge of a Wednesday and that is our night. Contact Deacon Carol ASAP if you can help! Most likely, as we move through the five weeks we will need additional “helping hands” as well. We’ll keep you posted!

Volunteers make programs succeed

As we wind up this strange “program year” I would like to extend a sincere thanks to all the volunteers who helped bring faith formation to children and adults. This includes our CE Board who worked throughout the pandemic to keep faith forming, Scott Geiser who kept us up to date on our website and created a great Faith Formation page and to all the others who helped with our various drive-by events, our Fall Fest and our Earth Day gathering. From gathering supplies, to stuffing bags to creating wonderful activities, some wonderful folks jumped in and went to work! Maybe we couldn’t gather inside classrooms, but they helped bring the classroom outside to all of you. And another big thank you to everyone, both young and old, who came out to support those activities, who took the time to keep faith learning going within their homes despite everything. I hoped that some of that spiritual learning kept you going during the dark and crazy times of this past year.

I also want to thank the many volunteers who during the pandemic thought of others - and are continuing to do so...

.... The wonderful crew who put together a “mountain” of pillows for breast surgery patients

with a special thanks to Georgann Geiser who turned her house into “Pillow Command Central” and coordinated drop offs and pick ups of materials.

... our gracious “bag ladies” - Vicki Mutter, Jean Moser and Jo Anne Wirt who saw that our seniors stayed connected with the church through the giving of special gift bags on a regular basis. Little things bringing lots of cheer!

... last but not least, our dedicated and committed group of “pray-ers”: Our “Prayer Buddies” who during the early months of the pandemic began praying for assigned Sunday school families. And to our Prayer Chain ministers who took up the call to pray starting in the fall. They are currently praying for at least 60 people. We’ve discovered that the need for prayer never ceases! They are my “praying angels”!

So....THANK YOU, THANK YOU, THANK YOU!!! You truly were God’s “Helping Hands” this past year!

Blessings upon all of you,
Deacon Carol

Deacon transition offers opportunities

Some staffing changes may be happening in the near future when Deacon Carol will be shifting her ministry to work with our senior (60+) members. To make that transition easier and help this ministry move ahead, here’s how you can help.

- 1) Parents, watch for a “one-call” type of survey to begin discerning what Sunday school may be for children and youth starting this fall.
- 2) Folks to help with VBS
- 3) Members 60+ years to consider joining a new “Seniors Ministry Planning/Resource Team” to dream about new ministries, activities and ideas for that age group. If and after the call is extended to Carol, she will be looking for some folks to jump on board this new ship!

As the transition time unfolds, new opportunities will arise. We’ll keep you posted on how you can help!

NHELCC celebrates God's beautiful creation

On Sunday, May 2nd, a wonderful group of all ages gathered to celebrate God's beautiful creation. Attendees went on a nature scavenger hunt, played recycling games, designed garden logo artwork, made plant impressions with both paint and clay, planted popcorn seeds, made prayer sticks to bless our garden fence and learned about our new beautiful garden. And, from the Garden of Hope they harvested our first crop which was served later that day through our Food Ministry. Last, but not least, everyone received some Earth Day activity sheets AND a treat bag which included ingredients to

make their own dirt dessert complete with "worms." The best part? We included real dirt and seeds along with planting instructions so the plastic pudding containers could be reused! A HUGE thanks from Deacon Carol to some special earth-loving folks who made this event possible: Carolyn Fleming, Leslie and Emily Gates, Lily and Ellen Gunder, Megan Meeker, Jean Moser, Vicki Mutter, Pastor Scott, Lindsey Waltermeyer and Nikki Young. Mother Earth was smiling! And thanks to all who came out and made the day so special.

PEER SUPPORT MINISTRY

NHELC Peer Support Ministry loves neighbors

On May 2nd, our Peer Support ministry celebrated Mental Health Awareness Month through Art, Food, Yoga, and just plain fun and being present to one another. Thank you to our partnering friends, Brush with the Law, Samana and NHELC Loaves and Fishes Food Ministry for helping to make this day a day to celebrate! Thanks to all who showed up, participated and shared their love.

Ryan Schweiger
Director of NHELC Peer Support Ministry

May is Mental Health Awareness Month

Check out our video from Sunday, May 2nd, and see how our Peer Support Recovery Ministry and community friends celebrated and raised mental health awareness to fight towards ending stigma! #mentalhealthawarenessmonth #endstigma

Please let us know how you take care of your mental health! You can share your comments and experiences at our page on the website: <https://www.newhanoverlutheran.org/peer-support-recovery-ministry/>.

Here are some pictures from the Mental Health Awareness Event on May 2nd.

Peer Support Scholarships

Certified Recovery Specialist (CRS)
Training

The Peer Support Recovery Ministry is pleased to announce that through a generous donation, scholarships were presented to two individuals in recovery from SUD (substance use disorder) to take a CRS training course to be able to work in the recovery field helping others. This is how God works in us, by loving our neighbors, and then, in turn, that love keeps growing and sharing.

For any questions or if you or anyone needs help in coping with life or recovery, contact Ryan Schweiger at 610.326.1335 ext.6 or peersupport@newhanoverlutheran.org.

LOAVES & FISHES FOOD MINISTRY

The Loaves & Fishes Ministry continues our mission to meet the food needs of our community. As of May, we have delivered over 40,000 meals. This is quite an accomplishment that has only been possible through donations of money and food. On the subject of donations, those of you that are members of Thrivent Financial, don't forget to use your Thrivent Action Team funding. As a reminder, if you are a Thrivent client, you have access to this fund which provides a \$250 debit card which can be donated to the ministry. Please keep an eye on the church website for a number of food fund raisers coming up in June and July. I also wanted to give another thank you to all the volunteers from the kitchen staff to the delivery crew and everyone in between.

Peace,
Chris

GARDEN OF HOPE MINISTRY

Garden of Hope Creation

Praise be to God, the crops are planted, the watering system is installed, and the crops are growing beautifully! I encourage you to come out to the church and see the wondrous mission we have achieved. The Garden of Hope team is looking for volunteers to help us change lives with the wonderful bounty that God will provide.

planting. And there is more to be done, and that is exciting.

There are great opportunities for families and individuals to do mission. Flower beds can be maintained by families and/or individuals. In addition, there are activities being organized around food sourcing and scarcity issues, bees and our garden, and other educational opportunities.

Peace and see yah in the garden!

Pastor Scott

First, allow me to thank everyone who has stepped forward to help organize, plan, move dirt and woodchips, plant and water crops on April 9, 2021. Special thanks to all who have continued watering and weeding since the initial creation and

Opportunities to Help

Can you help us?

Day Captains

Day Captains are people who generally have a concept on what needs to be done on a scheduled day and time to help volunteers complete their mission and find purpose in weeding, planting or harvesting our gifts of Hope. Day Captains are given an overview on planting and harvesting techniques and discussing what needs to be done over a period of time. The time needed can be a few hours to whatever time you can devote.

General Gardening

Join our Day Captains for a variety of activities including watering, weeding, harvesting and vegetable/flower plantings. If you would like to help, contact Donna Kehs at donnakehs@gmail.com or Pastor Scott at psstaub@gmail.com. They will give you instructions on the beds and you are welcome to do this great mission at your convenience, or work with a scheduled Day Captain.

If you would like to help but cannot sign up online, call the church office at 610-326-1335 Monday - Friday from 9 AM to 3 PM, or contact Marsha Staub at marsha.staub@comcast.net.

Fall Planting

Friday, July 30th, 9:00 AM

Harvesting

Dates will be announced

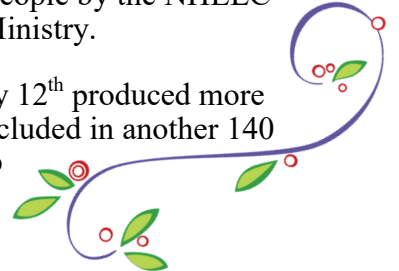

In addition, check out the Garden of Hope page on our website at www.newhanoverlutheran.org. You can find all the latest news and upcoming events. Or, for more information, contact our Garden Champion, Donna Kehs, at donnakehs@gmail.com.

First Harvest

People of all ages participated in the Garden of Hope's first harvest on May 2nd. Harvesters picked four pounds of Tokyo Bokena cabbage. The harvest was used to feed participants in the Creation and Mental Health Awareness celebrations with an oriental salad crafted by our own Chef Chris Fatzinger, and was used in preparation of delicious salads delivered to 140 people by the NHELCC Loaves & Fishes Food Ministry.

A second harvest on May 12th produced more leafy greens that were included in another 140 meals of a stir fry to help our neighbors.

CONGREGATION NEWS

Congratulations Confirmation Class of 2021

This has certainly been a Confirmation class like no other. The four second-year students started off a two-year campaign like all the others in recent past. Well, like everything else, their journey took a new course.

Harry Grant, Austin Parker, Tyler Sauers and Alexis Urbassik traveled through their Christian catechism starting in a classic classroom setting but quickly in spring of 2020 took a U-turn onto the Zoom road many of us are traveling today. 2021 saw the adventure expanding with them participating in a five Lutheran church collaboration of quarterly in person gathering in the picnic grove with monthly zoom classes.

In 2020, the whole collaboration of students produced a wonderful Christmas video message shared with the five churches. I want to thank all the students, teachers and parents for their flexibility and dedication to making catechism happen. It is a testimony that as the Apostle Paul states in the book of Romans, "For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord." Truly, this is a class like no other, and I thank God for the opportunity to have traveled that journey with them.

Pastor Scott

Graduation Sunday July 4th

Recent graduates will be honored during the worship service on Sunday, July 4th. If you graduated last winter or this spring, we would like to recognize you during the worship service. Graduates who would like to be recognized should send their graduation information to Church Office Manager Susan Gutshall at susan.gutshall@newhanoverlutheran.org. Include your name, graduation date, school, awards and future plans.

Rejoicing Spirits offers
a heart-warming worship experience

**Third Sunday of each month,
3 PM in the church parking lot**

This ministry supports people with intellectual and developmental disabilities, providing a meaningful worship experience for people of all abilities. All are welcome. For more information, contact Donna Kehs.

2021 Summer Yoga Class Series

Cleanse, Stretch and Grow

Classes will be held Thursdays, 6:30 – 7:30 PM June 10th, 17th, 24th and July 1st. Classes are for all levels and anyone age 13 years and up. Those who are age 13-18 should be accompanied by an adult. Classes will focus on

- ◆ *cleansing* mind, body and spirit,
- ◆ *stretching* and strengthening
- ◆ *growing* an intention towards peace and unity within.

Classes are held in the meadow at the church, weather permitting. The cost is a free-will donation with proceeds assisting the Peer Support Recovery Ministry and Loaves & Fishes Food Ministry. To sign up, text or call Leslie Gates at (484) 686-8619.

Mission Statement

The mission of New Hanover Evangelical Lutheran Church is to utilize the dedication of our church family, the strengths of our programs, the resources of our facilities, and history of our congregation to serve as a beacon of worship, welcome, peace, and support for our community.

Vision Statement

The vision of New Hanover Evangelical Lutheran Church is to love our neighbors as ourselves, and live and serve as an example of God's Grace for our community and our world.

COMMUNITY NEWS

NHELC shares blessings with local businesses

To support local businesses who were challenged by the Covid-19 pandemic, the Mission Services/ Social Ministry Committee reached out to local restaurateurs, hoping to provide some good karma to those who had contributed to the wider community while struggling themselves in the past year.

Five hundred dollars was donated to Juan Carlos Fine Mexican Cuisine. Ron Garza, chef and owner of Juan Carlos for the past twelve years, has been active in community projects and has donated to fundraisers and school programs. During the pandemic, they provided meals to first responders.

Aside from the challenges of trying to survive in the food industry during the pandemic, they also experienced their “worst week ever” due to the water main break and transformer explosion in March.

Ron responded: “Thank you for your humbling generosity! These funds helped in a BIG way! Our fridge had decided after ten years of service to stop working this week. A big thank you to all the donors who didn’t have to give but gave anyway from the kindness of their heart! This has never happened to me before.”

Five hundred dollars was donated to J.J. Ratigan Brewing Company. Keith and Christa Costello opened their business in December 2019, just three short months before the pandemic and lockdown hit. During the lockdown, while trying to adjust to a strictly take out business, they employed local musicians and held online “Give Back” benefit concerts to raise money for different Pottstown organizations. They provided food for the Pottstown School district for lunches, and over 500 hot lunches to first responders. They even brewed a beer named “Thirst Responders”, in which a portion of the sales are donated to a Pottstown First Responder organization.

Keith and Christa responded: “We appreciate your kindness and help during these trying times for the service industry.”

We invite all congregants to bless our local businesses by

PRAYING for the business

PROMOTING the business with word of mouth and postings on social media

PATRONIZING businesses when able

Boyertown has a new bear

Check out BAMU, Boyertown’s newest “Bear Fever” bear in front of *The Other Farm Brewing Company* on East Philadelphia Avenue. A project two years in the making, BAMU was sponsored by the Boyertown Alumni Marching Unit and was skillfully crafted by Mr. Doug Davidheiser. Seated atop one of the marching unit’s vintage bass drums BAMU is playing a trumpet that belonged to Unit President and NHELC member Tom McHugh and adorns its very own Arlen R. Saylor, Boyertown’s music legend and Cavalcade of Bands pioneer.

Many thanks to everyone who helped bring this dream to reality: to Hank Frecon and *The Other Farm Brewing Company* for providing BAMU a welcoming home, to Doug Davidheiser for his time and talent in the creating BAMU and to Jayne McHugh for spearheading this project from the outset.

For more information, visit the Boyertown Alumni Marching Unit’s website at <https://bamu.webs.com/>.
