# New Year, New Year Resolutions

By Marlene Hansley, MSN, RN

2024 is well underway and many of us may have made resolutions for the new year that may now be in our rear-view mirror. If so, you are not alone. Most resolutions made never last. We may try hard to change who we are and what we do but the task ends up being difficult. Taking charge of your health and yourself as an individual is something to consider in place of a new year resolution for 2024. Ideas to consider are:

- ✓ Eating healthy
- ✓ Getting regular exercise
- ✓ Getting a good night’s sleep
- ✓ Taking time for yourself
- ✓ Getting regular check-ups and health screenings
- ✓ Checking in on our mental health

Taking time to manage your mental health is important and a good resolution for 2024. Good mental health is a major factor in emotional, psychological, and social well-being and affects how we as individuals think, feel, act, and how we handle life’s challenges. Care of self is not only about our own personal well-being. Care of self affects the well-being of others around us. The American Heart Association website Healthy Living section offers many good resources on the above topics to help you be better in 2024.

# Pastor's Message

## "Lived to"

So often I hear or read that one died at.... And I have to believe there is more to that story. That one merely just doesn't die at an age or time. I believe one "lives to" an age or time.

If we believe in this resurrection story of Jesus, we are all traveling to our own Easter, our own resurrection. The premise that one dies at, rather than lives to, is wrong or moot. (I love the word moot. Moot is defined as having little or no practical relevance, typically because the subject is too uncertain to allow a decision.) As one states in the Apostles Creed that one believes, then one testifies to one's belief that there is no end to our lives, we simply travel from life to life.

One presence in one's current body ends; however, the life one gives is eternal. Eternal in the minds of others, the others that one lived with, positively impacted, and loved. Now, for those who wish to cling to fasting and sacrifice the things they love instead for Lent, well that's OK too. For here is the thing about living. When one "lives to" a time, one sheds

and/or sacrifices those things that don't matter anyway. One is focused on living a life of love, and shedding hate or fear.

One leaves behind the nuances that stop us from "living to" a time. By embracing a life that allows one to "live to", one chooses a life of love and meaning for oneself and others. When Jesus traveled to Jerusalem for three years, he spoke and taught that he would die. However, he didn't stop living. Jesus lived to the day he was crucified.

In those three years of ministry, Jesus lived by healing, feeding, and loving all of whom he encountered along the way to when the world defines his life ending on Good Friday. Maundy Thursday, Jesus ate and drank and was living life with close friends. Jesus lived life.

Like Jesus, one knows there is an end to one's mortal body. And then the conversation is not when one died at; however, I believe the question and conversation is in the how. How one lived to....

Peace, Pastor Scott

## Now you can donate using a QR code

NHELC offers a new electronic giving method (in addition to the current Simply Giving platform) that allows users to give via ACH and Credit/Debit Cards without the need to maintain a Tithe.ly account. Simply point your smartphone camera at the QR code and follow the link. Select the fund you want to donate to, fill out your payment info, and you're done! It's that easy! Use Tithe.ly when grabbing some food on a Sunday morning from Chef Chris or pay for your Picnic Grove Spaghetti Dinner reservations electronically!

For Simply Giving users, there's no need to change to Tithe.ly. Simply Giving **is not** going away. Using Tithe.ly provides a more streamlined giving platform for "spot" donations (although recurring giving is supported).

For your convenience, QR codes for Tithe.ly and Simply Giving are below.

# Handbell choir rings at dedication and Rejoicing Spirits

On January 28<sup>th</sup>, the handbell choir presentation of *You Raise Me Up* was dedicated to the memory of Pastor Paul H. Howells. Pastor Howells was the Interim Pastor of New Hanover Lutheran Church from 1992-1994. He later served as Pastor of Ministry Development from 1995-1999. He was recognized for distinguished leadership to Lutheran Outdoor Ministries on January 12, 2018, when he was pre-

sented the Manlove-Howells Leadership Award. Pastor Paul died eleven days later on January 23, 2018, one day before his 89<sup>th</sup> birthday. During Pastor Paul's years of parish ministry and the decades that he served as Director of Outdoor Ministries for the Lutheran Church in America, he "raised up" three generations of champions for Christ. With the handbell presentation, the congregation remem-

bered, with love and gratitude, the life of service given by Pastor Paul to his God, the congregation of New Hanover Lutheran Church and to the many lives he touched during his ministry.

The Bell Choir played wonderful selections to embellish the February Rejoicing Spirits Worship. The Rejoicers were very appreciative and we thank the bell choir for their long day of service traveling and ringing in the morning and afternoon worships.

## Mission project shows we care

On December 14<sup>th</sup>, the Gathering held a Christmas social for some fellowship and a mission service project. Thrivent monies and donations were received to allow the group to get together items for the homeless in Pottstown. Items purchased through Thrivent money were socks, underwear, snacks, hand warmers, and personal care items such as shampoo, deodorant, toothbrushes, and toothpaste. Donations of blankets, water, and other personal care items for use were obtained too. All the items were put together into individual care packages and were distributed to the homeless in Pottstown through the Pottstown Beacon of Hope.

The Shelter locations offered by Pottstown Beacon of Hope are rotated through various churches in Pottstown. You can learn about the project and volunteer to assist with meals and donate time at the shelter by logging on at [www.pottstownbeaconofhope.org](http://www.pottstownbeaconofhope.org). The homeless population in Pottstown and surrounding area is a growing concern especially with the recent weather conditions in the area. Thank you to the participants at the December Gathering for assisting in packaging the items and Thrivent for supporting the project with funds. Pastor Scott, Rosalie Lisa, and Marlene Hansley organized the mission service project for the group.

## Reconciling in Christ

The core team would like to thank everyone who's participated so far in one-to-one discussions around the possibility of New Hanover becoming a Reconciling in Christ church. The feedback and views of the congregation during these individual discussions are a critical part of the journey to understanding if God is calling our church to be welcoming to all - especially to those identifying as LGBTQIA+, racially diverse, or gender diverse. If you wish to participate by becoming a core member or by participating in a one-to-one discussion, contact Sharon Tracey, Diane Bealer, Josh Young, Janet Psota, Rick Hausch or Pastor Scott.
